You can purchase Apple products, including custom-configured computers, from the Apple Store online www.apple.com.au or call 133-MAC (622), or visit an Apple Authorised Reseller.

www.apple.com.au

Display, keyboard, and mouse sold separately. Internet access requires a compatible ISP; fees may apply. Product contains electronic documentation. Backup copy of software is included. ¹Compatible with most displays, USB keyboards, and USB mice. ²Additional memory, AirPort Extreme Card, and Bluetooth require installation by an Apple-authorized service provider. ³1GB = 1 billion bytes; actual formatted capacity less. ⁴Requires adapter, sold separately. ⁵Compatible ISP and telephone services required. Your ISP may not support all V.92 features. Modem will function according to V.90 standards if V.92 services are not available. Actual modem speeds lower. ⁶Wireless Internet access requires AirPort Extreme Card, base station or other wireless access point, and Internet access (fees may apply). Some ISPs are not currently compatible with AirPort.
